

THE FOURTH HIGH PERFORMANCE YACHT DESIGN CONFERENCE

12 - 14 March 2012 Auckland, New Zealand
REGISTER NOW www.hpyd.org.nz

The fourth international conference on high performance yacht design will be held during the Auckland stop-over of the 2011-2012 Volvo Ocean Race.

The conference will be a chance for delegates to present work on a wide range of subjects, and to meet the Volvo sailors and view the boats. A full social program will be included.

This fully refereed technical conference should be attended by everyone involved in the design and analysis of high performance yachts.

Abstracts can be viewed at www.hpyd.org.nz. Topics include:

- Performance prediction and measurement
- Wind tunnel and towing tank technology
- Regulations and rating rules
- Computational methods
- Materials and structural analysis
- Hull and Appendage Design

Feedback from past events:

“The most informative technical conference I’ve been to...” *Merfyn Owen, Owen Clarke Design, England*

“A terrific, well organised conference which attracts the world’s leading names in the yacht research field.” *Claudio Fassardi, Noble Consultants, USA*
